Reasons for excisions:

Two excisions to the DVD are required to remove scenes in the feature that tend to promote and support the use of violence to compel any person to participate in, or submit to, sexual conduct. The women involved appear genuinely distressed, giving the strong impression that they did not expect, and have not consented, to much of what is being done to them. The depictions eroticise sexual conduct where women in a servile role endure aggressive, intimidating sexual conduct with groups of men.
